4. Chairman's Report

I'd like to start by thanking the staff for the complete professionalism they have shown over the last few weeks, following the tragic passing of Lilly-May. I'm sure you'll all join me in passing on our sympathies to the family and our thoughts will be with all concerned tomorrow afternoon. The sponsored bounce again proved popular with the children and the monies received look very promising. The next committee event is the bedtime story and thanks to Marie, Simone & Zoe for organising.

This has been a fairly quiet time for general committee activity as the main focus has been for the staff to prepare for the leavers transition to school. It is also the time for preparing and completing year end administrative tasks such as the Trustees Annual Report for the Charities Commission. The finalising of the lease document with WBC is also ongoing but is now near to completion. Ideally, I would like the signed document to be in place by the end of this school year.

Finally, please can I ask you to confirm on email to me if you intend to step down from the committee at the AGM.
